MATVIS is looking for a motivated Junior Developer to join our team and help shape the future of AI security. The chance to make a real difference in a dynamic, fast-growing startup.

About MATVIS

At MATVIS, our mission is simple: to make AI safe. We're building the security foundation for a future where organizations can confidently deploy generative AI. Here's how we're making it happen:

- AI Firewall: Full protection for AI applications by identifying, analyzing, and managing security risks.
- Pentest for GenAI: Automated red teaming to uncover security vulnerabilities in AI applications.

Your Role

As a Junior Software Engineer with a focus on Frontend you will:

- Develop modern web applications with Next.js, React.js and Node.js
- Seamlessly connect and integrate frontend components with backend APIs
- Contribute to the design and implementation of UX/UI concepts for ML-powered applications
- Assist in optimizing usability and visual design
- Contribute to the integration of APIs, database management and cloud services
- Develop code efficiently and with high quality and deliver results independently
- Work in a motivated team in a dynamic startup environment

Ideal Background

- Experience with modern web frameworks such as React.js, Next.js and Node.js
- Initial experience with the integration of REST APIs
- Interest in responsive designs and usability
- A proactive, independent way of working
- Languages: Fluent in written and spoken English or German

Why should you join MATVIS?

- We offer competitive salaries above current industry standards, not just entry-level salaries
 - Flexible working hours
 - State-of-the-art work equipment
 - Attractive office environment
 - Flexibility of remote working opportunities
 - Promotion opportunities to senior and team leader roles
-

MATVIS is committed to diversity and inclusion. We strive to build a diverse team and welcome applications from people of different backgrounds, skin color, religion, sexual identity, gender, disability or age. Follow us on LinkedIn to stay up to date with what's happening at MATVIS.
